Modern Slavery Statement

Purpose and Commitment

The purpose of this statement is to outline the commitment and actions we promote, the expectations of our suppliers and contractors as part of our supply chain and our ongoing commitment to eliminate the risk of modern slavery.

At Select Harvests we strive to engage in ethical and sustainable relationships with all people, whether they are our direct employees, or as part of our supply chain, including suppliers, third party labor hire providers, labor hire workers, contractors, customers, the community, and stakeholders we engage with.

Values

Our values and behaviors are critical to our culture in delivering our key strategic priorities. SHV recognises that by living the values, and treating each other with trust and respect, we all contribute to the long-term success of the business and the safety of our people. Ethical sourcing drives trust into each part of our values statement. It is a visible commitment across the business to delivering effective and commercially sustainable outcomes.

Select Harvests Limited Modern Slavery Report

1. Reporting Entity:

Select Harvests Limited (ASX: SHV)
ABN 87 000 721 380

Select Harvests is Australia's largest vertically integrated almond food company with core capabilities across: Horticulture, Orchard Management, Processing, Sales, and Marketing. These capabilities enable us to benefit throughout the value chain.

We are one of Australia's largest almond growers and the country's leading manufacturer, processor, and marketer of almond products to the Australian retail and industrial markets, in addition to exporting almonds globally.

2. Entity Structure, Operations and Supply Chain:

Structure:

Select Harvests Limited is an Australian public company listed on the Australian Stock Exchange (ASX: SHV). The company's registered office is located at Building 7, Level 3, Botanicca Corporate Park 570-588 Swan Street Richmond Vic 3121.

Operation Description:

Select Harvests is structured with 15 farms (Almond Producing) throughout Victoria, South Australia, and New South Wales and 1 Almond processing site located in Carina West in Northwest Victoria. Select Harvests head office is in Richmond Victoria.

Supply Chain:

Almonds are predominately sourced from Select Harvests farms, other ingredients, and packaging are sourced from a combination of suppliers both domestically and internationally.

3. Risks of modern slavery practices in the entity's operations and supply chain and any entities owned or controlled by the reporting entity:

As a large employer in the agricultural sector Select Harvests acknowledges that the horticultural sector has a high reliance on migrant workers, many of whom may have limited understanding of English and who may be less aware of their human and labour rights.

Select Harvests is heavily reliant on these workers for our harvesting and processing season and employ approximately an additional 300 workers during this time. Select Harvests either employs the team member directly or via an approved employment agency. No matter how the team member is engaged with Select Harvests, the company will:

- Remunerated in line with appropriate seasonal harvests or contractor rates:
- Provide training in a combination of languages including pictures:
- Provide access to the companies support programs.

Select Harvests grows, harvests and processes all our products in Australia and then ships the products either domestically or internationally to a combination of locations/countries. We pride ourselves on our working conditions across our operations. Select Harvests aims to provide a quality product to its customers and operate as a responsible business.

As a result, and based on our recruitment process of either recruiting the team member directly or via an approved employment agency, the risk of Modern Slavery occurring is very low.

4. Actions taken to assess and address modern slavery risks, including the diligence and remediation process:
